Gazteentzako euskarazko irakurgai  
gomendatuak

## GALTZAGORRI ELKARTEAK PROPOSATUTAKO EZINBESTEKO IRAKURGAIAK

### EUSKARAZKO GAZTE LITERATURA

EZINBESTEKOAK izena duen zerrenda honen baitan euskarazko Gazte Literaturaren historian argitaratu diren ezinbesteko irakurgaien zerrenda osatzeko konpromisoa hartu du Galtzagorrik.

Garai guztietai argitaratuak izan diren liburuak topatuko dituzue hemen: batzuk XX. mendekoak; beste batzuk XXI. mendekoak. Baino guztiak ere euskarazko Gazte Literaturaren perlak dira. Eta perla horiek gure Haur eta Gazte Literaturan lanean urteak daramatzaten adituek aukeratuko dituzte.

2009an hasi zuen Galtzagorrik lan hori, eta lehenengo eta behin XABIER ETXANIZ ERLE idazle eta literatur kritikariak egin zuen beretzat EZINBESTEKOAK diren liburuen zerrenda.

2010ean, berriz, MIGEL ASIAIN literatura irakasleak egin zuen bere EZINBESTEKOAK zerrenda.

2011n ASUN AGIRIANO bibliotekari eta literatura adituak osatu zuen.

2012an Itziar Zubizarreta irakasle, ipuin kontalari eta irakurketa sustatzen adituak osatu zuen berea.

2016 eta 2017an, berriz, Mikel Ayerbe unibertsitate irakasle eta Haur eta Gazte Literatura adituak eta Yolanda Arrieta idazleak osatu zuten berea.

2018an Dani Maiz ilustratzaileak osatu zuen zerrenda hau.

2019koan, Oihana Etxegibel irakasle, ipuin kontalari eta kultur bitartekariak.

Azken lau urteetan, Juan Kruz Igerabidek, Lore Agirrezabalek, Unai Pascualek eta Mireia Delgadok osatu dute, hurrenez hurren.

2020tik aurrera, gainera, LiBURU GAZTEA booktrailer lehiaketako hautaketa batzordeak hautatzen dituen urteko liburuekin ere osatzen da zerrenda.

Bertan aurkituko dituzue horien guztien oinarrizko datuak, adinka banatuta. Honela, liburuak zein adinetarako diren aproposak jakin ahal izango duzue.

Esan gabe doa, badakigula zerrenda bakoitzean “ez daudela diren guztiak, eta dauden guztiak ez direla”. Zerrenda arriskutsuak izan daitezke beraz, baina hainbatentzat, bitartekariantzat bereziki, lagungarriak izan daitezkeelakoan prestatu ditugu.
